

Nurturing
what is growing

In 2025, we began a three-year focus to build on our ministries.

The seeds have been sown, we have set the foundation to our ministries, now we build on them.

2025: We Began Our Journey
2026: We Built Momentum
2027: We Maintain Momentum

Help us nurture what is growing with your 2027 pledge.

Why We Give

We give because we belong. We give because we are grateful. We give because we believe in what God is doing here. We give because we want this ministry to be here for the people who need it today—and for those who haven't found us yet.

We have planted.

We have begun to grow.

Now we nurture what is growing.

Growth isn't always immediately visible.

Like our backyard, we throw out seeds, drench the soil with water, create space for plants to flourish, and trust change and growth will come.

With your gifts, we continue to grow and plant seeds throughout our community and the world.
