

April 14, 2026 update

We continue to receive generous donations from our community. Since our \$20,000 incentive gift from an anonymous member of our community in March, an additional 11 pledges have been given for an additional \$20,000. Yay!!!! Thank-you!

Our total pledged as of April 12 - \$158,000 of our \$196,000. *Then, April 13, another \$10,050. Total pledged thus far- \$168,050.*

The East facing windows in the Sanctuary do need more extensive repair than expected and we are getting one more estimate before the property committee decides on the contractor. We will know more at the end of April and will bring our conclusions to the congregation to discuss the work needed for the windows and how to move forward plans proposed with the capital campaign.

That meeting is Sunday, May 17 following.

The air conditioning bids for the fellowship hall are in and we are happy they meet the estimates proposed. The property team will decide on the vendor/contractor at the property meeting, April 28.

Property team includes-Elise Winter, Jerry Engebretson, Gary Palmen, Bob Chezik, Cheryl Mackereth, Karen Tangen, and Pastor Karen.

Thank-you.
